

District of Columbia Information Sheet for Yellow Fever Stamp Owners

Applicants must:

- Be a licensed physician, pharmacist, or registered nurse in good standing with the District of Columbia.
- Complete the District of Columbia Uniform Stamp Application. To request an application call (202)442-9219.
- Complete the initial and annual onsite inspection of the facility where the Yellow Fever Vaccine will be administered. The Pharmaceutical Control Division will contact you to schedule the inspection.
- Read and understand the [recommendations](#) outlined by the CDC's Advisory Committee on Immunization Practices (ACIP).
- Provide a copy of the [Vaccine Information Statement \(VIS\)](#) to every Yellow Fever vaccine recipient prior to administering the vaccine.
- Adhere to administration, storage, and handling requirements as indicated by ACIP and the Yellow Fever vaccine manufacturer.
- Record Yellow Fever vaccine with official uniform stamp on the ICVP (International Certificate of Vaccine Prophylaxis) card. You can order the ICVP Card online by calling: 202-512-1800 or online at <http://bookstore.gpo.gov/catalog/health-benefits/immunization-vaccination/vaccination-forms>
- Provide continuous temperature monitoring for vaccination and maintain a temperature log of daily recordings (This will need to be provided during annual facility inspection).
- Recertify as a Yellow Fever Stamp Owner when professional license expires.
